

## Working with Clients and Hoarding Behaviours

This one day training package is designed for health professionals and service providers working with people who exhibit hoarding behaviours and hoarding disorder. It provides:

- Understanding of hoarding disorder
- History and potential causes
- How to approach hoarding disorder
- Motivational interviewing techniques
- And possible assessment tools

Training information and an assessment resource package is provided to all participants. The training can be tailored to suit your particular service and roles.

**Facilitators: Jo Hodson and Tessa Ryan, Womens Health & Family Services**

*Jo Hodson and Tessa Ryan currently facilitate the Buried in Treasures Program (15 week program) at WHFS for people experiencing hoarding/clutter issues looking for change.*
