AUSTRALIA

part of the  
**play matters**  
family

## What happens at Sing&Grow?

Sing&Grow provides Music Therapy services in the community for families with children aged from birth to 5 years. Groups usually meet for an hour, once a week, for 8 weeks.

During sessions, a Music Therapist will lead you in singing, dancing and playing instruments with your child. We use familiar and original songs to help you and your child have fun playing together and learn new ways to support child development.
